Notes
 Refer to Light Engine Data Sheets for Light Engine Increments.
 Track is cut to exact length (1/8" tolerance)
 Allow tolerance for wiring/ plugs
 Fixtures up to Class 2 max. length

Custom Lengths
 Fully assembled up to ≤ 8 ft. (96 in).
 Max Length is 8 ft.

SIGNATURE (Required if Final Lengths)

Final Order Lengths*

Budgetary only, requires field verification

Component of a complete system including: Aion LED A-Track Light Engine, Aion LED A-Track housing with diffuser lens, & Aion LED driver (power supply). Dimmer not included. Approved dimmers, controls, power supplies, cable, & other components only. Contact Aion LED for questions regarding compatibility. Electrician installed. Strictly adhere to NEC & local building code. Limited 5-year warranty against manufacturing defects only, does not cover labor; voided by: inadequate ventilation, field modifications, installation by unqualified personnel, unapproved controls, drivers, cabling, other devices, not following installation guidelines & protocol, general negligence. Installer assumes all liability with regard to property & safety. This product is UL listed. See separate "Aion LED Warranty Terms" & additional instructional materials for more information. Authorized installers only. Systems tested prior to shipping.
